

EULER HERMES SURETY

Euler Hermes is one of the most experienced surety providers in the world. Now we are bringing this unmatched experience to the North American market. Building on our global network, Euler Hermes' North American team of surety professionals possesses a high level of surety expertise to provide you with a reliable and knowledgeable surety partner.

BENEFITS OF EULER HERMES SURETY

A solid guarantee: Our investment grade rating is accepted by corporations and banks across the globe. Our market position is further backed by the financial stability of Allianz, the global leader in financial services, making Euler Hermes a reliable counterpart for your beneficiaries and financial partners.

Team of specialists: Our experienced and knowledgeable construction and surety specialists provide you with responsive service and solutions, making it easy to do business.

A true international partner: We're uniquely capable of providing true integrated international surety programs, giving you central management and one point of contact for all global operations.

Proprietary information: Our worldwide presence and information on global markets allow us to accurately calculate the risks you face to provide the coverage you need.

100+ years of experience: With more than a century of experience in North America and our deep global surety network, Euler Hermes combines local knowledge with global expertise to be your trusted surety partner.

OUR PRODUCTS

Contract Surety Bonds: Euler Hermes can provide the full range of surety bonds required by contractors, including bid, performance, payment, supply and maintenance bonds.

Commercial Surety Bonds: Euler Hermes offers a variety of commercial bonds which may be required by our customers, such as court bonds, license and permit bonds, tax bonds, non-construction performance bonds and customs bonds.

Energy Industry Bonds: Euler Hermes' deep expertise in the energy industry allows us to offer bonds tailored to the specific needs of the energy industry, including bonds for independent system operators, commodity transport and pipeline development.

OUR INTERNATIONAL NETWORK

Euler Hermes has surety underwriters located throughout the US and Canada. Our surety team is close to our customers and brokers and understands the local market environment in order to serve them better.

With a presence in 70 countries around the world, Euler Hermes can draw on its international network to serve our surety customers around the world. Whether you need a bond in the US, Canada, Latin America or Europe, Euler Hermes can deliver.

OUR CAPACITY

Our capacity allows us to handle surety customers of all sizes, from commercial bonds for medium-sized companies to contract performance bonds for large, international contractors.
